

About **GRANDCARE**

At **GRANDCARE HOME HEALTH** we offer professional, caring, reliable day-to-day services at a house, an assisted living or senior care facility - or any place you call home.

We focus on improving your quality of life, taking care of your health care needs and ensuring that your visits to the hospital or nursing home are minimal.

Our **Smartcare** device which is available to all our patients ensures that help is just a click of a button away.

Your wellbeing + Our passion = GrandCare

We **LOVE-TO-SERVE**

Our Mission: To participate as an active part of the community, in continuously improving the home health care needs of the Patient by delivering value driven, high quality compassionate care.

Our Vision: We are committed to being the number one care provider in the **DFW Metroplex** for in home **Skilled Nursing** and **Therapeutic Services**. We provide unsurpassed, competent and professional care by over delivering on the results expected by our clients, their families, and leading the way for our industry and colleagues to follow.

We pave the way and set the precedent for assisting those who are frail and aged so that they may find true peace, joy, and happiness living in a safe, confident, and comfortable environment in their own homes.

"I just want to thank you for your patience and genuine concern. You travel such a long distance to provide me with care. Only a true professional would make that kind of commitment. Thank You."

What is Home Care Connect + Carelog365?

Home Care Connect is a unique service we provide to our Patients. This service is an "**in-home call button**" like you have in the Hospital. With this service we provide a 24/7 connection that places our Patients in touch with their Care Givers to triage their requests and provide them with the right care at the right time in the comfort of their own home.

Carelog365 is technology we have developed to ensure, verify and document all caregiver and nurse visits - high level of accountability!

Better Emergency Response.

In the event of emergency **Home Care Connect** relays critical information to the first responders to allow for a **more efficient** and smooth emergency response.

Sense of Security

Using our service the Patient and especially their immediate Family and loved ones obtain an added sense of security knowing that **24/7 access to care** is only a button press away. Peace of mind is hard to get these days but with Home Care Connect you can count on it.

What the Patient Presses the Button for?

Our Patients press the **Home Care Connect button** for Medication questions, fulfillment, anxiety (live alone), facilitating nutritional needs, scheduling physician appointments & receiving appointment reminders, arranging transportation, contacting Durable Medical Equipment Provider, **if they need to just talk to someone** or for any other needs that they may have.
